

Some Good Reasons Why You Should Vote For Harry Durst For Congress From the Seventh District

HARRY D. DURST.

HIS QUALIFICATIONS

He is thoroughly educated—a clear thinker—full of energy and vigor—a deep student of public affairs—a conscientious worker for the public welfare. He is forty-five years old. Born and reared in the Seventh district. Knows the people of it, their needs and aspirations. Knows and appreciates their desire for clean, efficient, conscientious service and their steadfast loyalty to the servant who will render such service. He has intimate knowledge of the problems of the people, for he has been a toiler in the ranks. He worked as an iron moulder to earn money to enable him to study law. He is now a leading member of the Springfield bar. He is a man of family, having a wife and three children in whom he is vastly interested. He is of forceful character—not fearing to speak clearly and plainly against the evils of the body politic as they appear. Where he is known best there he is most respected and admired. As evidence notice these two striking occurrences: FIRST—The endorsement of him for congressman by the central committee of his own county. In no uncertain language, as follows:

Be it resolved by the Greene County Democratic Central Committee, that, without reflection on any other Democratic aspirant for the nomination for congressman from the Seventh District, we commend to the other counties throughout the district the candidacy of Hon. Harry D. Durst. Mr. Durst is a life-long citizen of Springfield, is well and most favorably known throughout Greene county, is worthy and well qualified for the position in every way. We vote and publish this resolution for the purpose of refuting, as far as we can, the published reports that Mr. Durst is an obscure and unimportant lawyer of Springfield. Be it further resolved that these resolutions be forwarded to the various Democratic newspapers throughout the Seventh district.

SECOND—His recent election as state commander of the Spanish War Veterans—by the men who had seen him in the military service of his country—who had known of his patriotism, his integrity and thorough dependableness in times of stress. He is a bit old-fashioned in that he believes that a public office is a public trust. If he is elected congressman of the Seventh district he will not consider that it is wholly for his private interest and for the benefit of his relatives by placing them in office. He has ever been an energetic worker in the interest of the Democratic party and has always contributed liberally of his time, means and talents to the endeavors of that party. Every Democrat in the district can vote for Mr. Durst with the absolute assurance he is casting his vote for a man of the strictest integrity, a Democrat of the truest party principles and an American citizen of deepest and widest sympathies. The support of all earnest Democrats is solicited for Harry Durst at the primary on August 4th.

Respectfully,
THE DURST FOR CONGRESS CLUB.

E. O. DAVIS, Secretary.
